

canadian franchise law handbook pdf

The history of Canada covers the period from the arrival of Paleo-Indians thousands of years ago to the present day. Prior to European colonization, the lands encompassing present-day Canada were inhabited for millennia by Indigenous peoples, with distinct trade networks, spiritual beliefs, and styles of social organization. Some of these older civilizations had long faded by the time of the ...

In most countries, suffrage, the right to vote, is generally limited to citizens of the country. Some countries, however, extend voting rights to resident non-citizens. Such voting rights extended to non-citizens are often restricted or limited in some ways, with the details of the restrictions or limitations varying from one country to another.
