2. Salaries, bonuses, and stock options can be structured so as to provide big rewards for superior performance and big penalties for poor performance.

CEO Incentives – It's Not How Much You Pay, But How

Say on pay is a term used for a role in corporate law whereby a firm's shareholders have the right to vote on the remuneration of executives.. Often described in corporate governance or management theory as an agency problem, a corporation's managers are likely to overpay themselves because, directly or indirectly, they are allowed to pay themselves as a matter of general management power.

Shareholders should be realistically allowed to directly select corporate director candidates via the SEC Shareholder Proposal procedure. The days of corporate paternalism should be ended. Corporate governance problems will only be cured when Shareholders can easily remove incompetent/corrupt Directors, i.e., vote them out of office.
