The monarchy of the Netherlands is constitutional and, as such, the role and position of the monarch are defined and limited by the Constitution of the Netherlands. Consequently, a fairly large portion of the Dutch Constitution is devoted to the monarch; roughly a third of the document describes the succession, mechanisms of accession and abdication to the throne, the roles and responsibilities ...

A house is a building that functions as a home. They can range from simple dwellings such as rudimentary huts of nomadic tribes and the improvised shacks in shantytowns to complex, fixed structures of wood, brick, concrete or other materials containing plumbing, ventilation, and electrical systems. Houses use a range of different roofing systems to keep precipitation such as rain from getting ...
