The pre-primary stage is the foundation of children's knowledge, skills and behaviour. On completion of pre-primary education, the children are sent to the primary stage but pre-primary education in India is not a fundamental right.

Education in India - Wikipedia

ISTE Standards for Students. As educators, students are at the center of everything we do. The student standards describe the skills and knowledge they need to thrive, grow and contribute in a global, interconnected and constantly changing society.

ISTE Standards

The education system in Switzerland is very diverse, because the constitution of Switzerland delegates the authority for the school system mainly to the cantons. The Swiss constitution sets the foundations, namely that primary school is obligatory for every child and is free in public schools and that the confederation can run or support universities.

The OPI is a testing method that measures how well people speak a language by comparing their performance of specific language tasks with the criteria for each of proficiency levels described in the ACTFL Revised Proficiency Guidelines or the ILR Guidelines for Speaking.

Language Learning Difficulty | About World Languages

A good understanding of Colorado's physical history and rocks requires a feel for large-scale geodynamics. This groundwork article attempts to provide just that context while supporting the photojournals and other groundwork articles that draw on such ideas.. Most importantly, this article seeks to provide a basis for appreciating if not answering the \$64,000 geo-question about Colorado:
