We are committed to generously sharing knowledge about the best care for frail older adults. We have curated resources which are current, evidence-based, and aligned with the Senior Friendly Care (sfCare) Framework domains and the Senior Friendly 7 (SF7) clinical care areas.

### **Resources | Regional Geriatric Program of Toronto**

America's elderly population is expected to rise from 34 million in 2000 to approximately 70 million by 2030. To ensure optimal health outcomes for older adults, nurses in all settings should be familiar with geriatric health problems and demonstrate proficiency in providing care.
