The Many Facets of Social Work The scope of social work practice is remarkably wide. Social workers practice not only in the traditional social service agency, but also in elementary schools; in the military; in

### **The Many Skills of Social Work**

A social skill is any competence facilitating interaction and communication with others where social rules and relations are created, communicated, and changed in verbal and nonverbal ways. The process of learning these skills is called socialization. For socialization, interpersonal skills are essential to relate to one another. Interpersonal skills are the interpersonal acts a person uses to ...
